Welcome to the 2022 Martinsville Agricultural Fair!

The 2022 Fair will involve some changes, and sometime changes are hard, but I believe everyone will enjoy all it has to offer. The Fair Board has worked hard to organize lots of fun activities and ensure there is something for all ages. Gate admission will be \$5 per person, with children 5 and under free. Grandstand and pits will be free Monday thru Friday. Carnival rides will not be included in the gate admission fee this year, but changes in the fee structure has led to the addition of many free activities for everyone to enjoy.

This year we are focusing on the term, 'An Event within the Event'. While we have all of the normal Martinsville Fair activities, there will be several other free events included in the gate admission. Check out the schedule for the free events on page seven of this Fair Book. Afternoon programs have been organized for the women; you can find a schedule of those programs on page six. Livestock Shows will be held in the evenings, to allow more people the option of attending.

Maintenance projects on the fairgrounds continue to be a priority. We have made updates to one of our restroom facilities this year as well as some needed renovations to the Secretary's office. We hope to move forward on Grandstand renovations within the next few years. The Fair Board continues to set goals to ensure the rich traditions of the Martinsville Agricultural Fair continue for years to come.

On behalf of the Martinsville Agricultural Fair Board of Directors, and the many volunteers it takes to make the fair successful, we look forward to seeing you at the 2022 Fair.

In Memoriam
Judith (Gregg) McFadden
1941-2022

At the age of 13, Judy began working in the Secretary's Office. That began a lifelong journey for her.

Growing up across the road from Sherry Bennett Repp was the reason Judy became involved. They were friends from grade school, went on to Eastern together and were sorority sisters and roommates. Of course, Sherry was already involved because of her father, Harlin Bennett, who helped start the fair. Sherry has served as Secretary of the Fair for over 60 years and Judy worked beside her every year.

Judy would not only help during the week of the fair. She would help by getting the fair book ready for printing by proof reading and getting the books ready for mailing. She and Sherry would spend hours together before Fair Week doing behind the scenes work. Judy knew every aspect of the Fair and what it took to make a successful week.

When Judy graduated from college and married John, she would continue to return home to work at the Fair. As their family continued to grow, the tradition continued. It was a special week for the family.

When Judy and John returned to make their permanent home in Martinsville, Judy became more involved working closely with Sherry. She was Sherry's right hand go-to person. The love for the Fair and Community was apparent when you talked to Judy.

Judy will be missed by members of the Board, exhibitors and all those who worked with her!!!!

The 2022 Martinsville Agricultural Fair will open on Sunday night, June 12 with a community worship service in front of the grandstands. Jake Hault, along with his Praise Team will lead the service along with a variety of music, including traditional hymns and contemporary praise songs. Chet Snyder, a former Martinsville resident, and pastor of The Journey Church in Fairfield will deliver the message. The Martinsville Ag Fair holds a special place in Chet's heart because he grew up attending the fair and watching his father train and race horses on the local track. The service will start at 7:00 p.m. Gate admission and grandstands are FREE. Plan to join us for this special worship service.

A FEW RULES WORTH OBSERVING

1. If you have entries to make, attend to it at once and when your stock or articles are entered see that they are in readiness at the proper time and place for examination by the committee or by the judge.
2. Accept no rumor in regard to the business of exhibition. If you do not know what to do, inquire of the officer whose duty it is to tell you. One-half the disappointment and trouble at the Fair is occasioned by relying on hearsay. Attend to your business. If it is wrong, you know where the blame is.
3. Read the rules and by example assist in enforcing them, but do not forget that mistakes will occur where thousands are congregated. The Board endeavors to do justice to all.
4. The success of the coming fair depends largely upon the manner in which the public patronizes it.

POLICE REGULATIONS

The Clark County Sheriff and the Martinsville Police Department shall have general police supervision on the grounds. They shall have full charge of the police force in the employ of the Fair management, except as otherwise provided subject to order of the Board of Directors.

All officers and policemen shall be sworn in as conservators of the peace and it shall be their duty to arrest any person creating a disturbance or violating any of the rules or regulations of the fair or the laws of the state.

GENERAL REQUIREMENTS

These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits. **All out-of-state animals shall require an entry permit. Entry permit numbers are available by calling the Illinois Department of Agriculture, Monday through Friday from 8:00 AM to 4:30 PM, at 217/782-4944. Permits may also be obtained online at: <http://www.agr.state.il.us/AnimalHW/animalregistry/login.php>**
2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animals meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.
3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.
4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVI for out-of-state livestock shall be void thirty (30) days after issuance.
6. CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.
Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds.
Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.
8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs. New examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit. The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.
9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all rewards being forfeited.
