Luehrs' Ideal Rides on the Midway!

Welcome to your 77th Martinsville Agricultural Fair!

As we strive to be the best fair around, we are continually looking for new programs and vendors. We are excited to welcome Luehrs' Ideal Rides on the midway this year. Luehrs is a well-known, midwest carnival that plays large events, including the Iowa State Fair. They will be offering specials throughout the week for your entertainment. We are also happy to bring back the Rodeo this year, not just one night but two. Whippoorwill Rodeo will feature all of the fan favorite events including bronc riding, barrel racing, roping, steer wrestling, bareback riding and bull riding. Check out the 2023 Schedule for all the free activities for families, grandstand programs and livestock shows.

Improvements to the facilities and grounds are another priority of the Board. We have completed a renovation to a second restroom facility and improvements to our Arts Hall facility. We are finalizing plans to renovate our nearly 80 year old grandstands. When you attend the 2024 Fair, you'll have new seating to enjoy the grandstand programs.

Your Fair Board is committed to keep the Martinsville Agricultural Fair moving forward and we have lots of ideas and plans for future improvements.

On behalf of the Board of Directors, we look forward to seeing you at the 2023 Fair!

Robert Zellers, President

A FEW RULES WORTH OBSERVING

1. If you have entries to make, attend to it at once and when your stock or articles are entered see that they are in readiness at the proper time and place for examination by the committee or by the judge.
2. Accept no rumor in regard to the business of exhibition. If you do not know what to do, inquire of the officer whose duty it is to tell you. One-half the disappointment and trouble at the Fair is occasioned by relying on hearsay. Attend to your business. If it is wrong, you know where the blame is.
3. Read the rules and by example assist in enforcing them, but do not forget that mistakes will occur where thousands are congregated. The Board endeavors to do justice to all.
4. The success of the coming fair depends largely upon the manner in which the public patronizes it.

POLICE REGULATIONS

The Clark County Sheriff and the Martinsville Police Department shall have general police supervision on the grounds. They shall have full charge of the police force in the employ of the Fair management, except as otherwise provided subject to order of the Board of Directors.

All officers and policemen shall be sworn in as conservators of the peace and it shall be their duty to arrest any person creating a disturbance or violating any of the rules or regulations of the fair or the laws of the state.

FAIR HISTORY

The grounds of the Martinsville Agricultural Fair have a long, rich history. The Clark County Fair Association was formed in 1897 and the first fair was held in the early fall of that same year. Families came to spend the day, bringing picnic hampers and blankets to spread out while sharing lots of stories and laughs with their neighbors. Today families eat at the variety of food vendors instead of bringing a picnic basket but the fellowship with neighbors hasn't changed.

The Fair flourished until 1912 when it was largely destroyed by a tornado. After four years of recovery, the grounds were once again opened in 1917 and continued until the last Fair run by the Clark County Fair Association was held in 1930.

The previous fair site was purchased in 1944 by a group of interested people and shares were sold in the Martinsville Community Club. By 1945 the Club decided to deed the fairgrounds, about 29 acres, to the newly formed Martinsville Agricultural Fair Association. Under this new management the Fair opened once again on July 15, 1946. The Association continues to be the governing body of the Fair today and has been expanded to include 48 acres.

Horse racing has always been a major part of the Fair. The half-mile track was redesigned and resurfaced in 1965 and remains one of the premier facilities in the state for harness racing. The track is home to the first mile in two minutes (or faster) in Illinois county fair history for both trotters and pacers. Fifteen individuals have been involved with the Martinsville racing program and then subsequently inducted into the Hall of Fame of the Trotter in Goshen, IN. The Great Midwest Trot and Pace remain the fair's signature events, having been held annually since 1953. Because the Fair Association maintains a winterized racing track, thoroughbred and harness horses are boarded and trained on the grounds year around. The Martinsville track was where Dale Baird, Winningest Thoroughbred Trainer in History, got his start.

Throughout the years, the Board of Directors has upheld the founders' pledge in the Articles of Incorporation: "To encourage, promote and conduct civic, patriotic, athletic, education, agricultural and horticultural

enterprises and events, and in furtherance to same but not in limitation thereof to furnish facilities for and to conduct an Agricultural Fair with exhibits of farm products, livestock, poultry and products of horticulture, floriculture, culinary and domestic arts; 4H Club work, school and education work, farm machinery; and in general to do all things usually done or furnished in and about the conduction of a Country Fair."

The Board has always been committed to maintaining and improving the grounds. There are five horse barns, a dairy barn, beef barn, hog barn and sheep barn to use in racing and livestock shows. In addition there is a horse arena that is used throughout the year by various horse clubs and an Arts Hall, used to promote agricultural and cultural education. Over the last few years two new pavilions and a handicap accessible area to the grandstands have been added; electrical upgrades to the midway area have been completed; the roof of the Arts Hall has been replaced and other buildings have been maintained and painted. In addition to the 4-H Fair, other events utilizing the grounds have included the Martinsville Heritage Days Festival/Draft Horse Show; Farm Safety Program; Livestock Judging Program; the Firemen's Auxiliary's Haunted Barn; Firemen Training Programs, the circus, the Antique Power Club Show, the Clark County Health Department's used tire disposal collection point, reunions, auctions and more.

The Martinsville Agricultural Fair is known as a fair that promotes "Family Night, Every Night" by offering top entertainment and a State Fair quality carnival for families to enjoy at affordable prices. The Fair is one of Martinsville's greatest assets and the Board of Directors will continue to build on the rich heritage while partnering with organizations throughout the area to fully utilize what the grounds can offer.

Original signers of the first Article of Incorporation were:

R. H. Cooper, H. T. Bennett (Father to our Secretary and Uncle to a current Board Member), H. L. Downey, W. T. Sinclair, Grover Wood, Pierce Reeds (Father of a current Board Member), Huber Bennett, Robert Moore, Thomas Coats and Euritte Ralston.
